
Really great site!

Hi.

This site isn't very big yet, but so far i think it's really cool. The design is also really cool, the deathwing termie was the first thing to catch my eye.

But I think this site needs a image gallery, that would be really cool, it may probably come in the future...

Anyway, a really great site...and yay! A forum:-)

I agree alpheus, this site looks really cool, aulthough it needs to be developed a little more.

I just started DA the other day! I got some Veteran Marines, they are really sick models and worth getting.

The deathwing terminator was an eye catcher for me as well.

Forums are shaping up nicely.

]Some image galleries would be good.
